Paint Works™

Paint by Number kits lead the way with designs consumers love to paint. We offer consistent attention to detail, expert art translation and easy-to-achieve artistic techniques. Whether a novice or an expert, we have projects to suit every style and skill level. Our kits include detailed instructions and high quality acrylic paints so that the end result is a beautifully finished piece every time.

Features & Benefits:

- The Paintworks brand resonates high quality with consumers
- Acrylic paints are easy to use—mix beautifully, dry quickly, clean up with water
- Color mixing and simple techniques, add beautiful and creative effects
- Variety of design size and subject matter appeals to all ages
- Clear instructions, chart and diagrams ensure the image on the package is easily achievable, encouraging repeat purchases

14" x 11" and 20" x 16" box sizes, can be shown together in various layouts to accommodate a variety of in-store merchandising solutions such as an aisle pallet or an endcap.

Both large and small displays hold 6 boxes each.

Custom solutions such as pallet displays can be made available
